Q13: Valuable Suggestions

- *Alumni meet and fete should be restored.*
- *Extra-curricular activities organised by alumni should be restored.*
- *Please focus on the students' knowledge in terms of current market technology, instead of focusing only on theory part.*
- *Request ECC to get outside academicians for a holistic development of students.*
- *At our time teachers are excellent in teaching ability and devotion. I think present teacher will follow their old tradition.*
- *Organize more programs for placements.*
- *Upgradation of curriculum and multidisciplinary programs to be introduced. Religious and moral education to be enhanced.*
- *Ewing Christian College is one of the most reputed college in UP in terms of its education system and highly qualified teachers. Though the environment is very ethical, all the professors are very knowledgeable and skilled, but even after getting highest marks, as a student, I had never been appreciated. Neither I got any medal or achievement certificate. The institution could not even manage to arrange a convocation programme. No placement for students. Feel very disappointed. Secondly the infrastructure should be improved as per the status of the college. A different department should be constructed for Biotechnology.*
