Sir/Ma'am,

During the COVID-19 pandemic, mentoring is needed more than ever. Students are not just facing a physical threat but are also subject to emotional and social challenges brought on by the virus. Mentoring has the potential to diminish academic and personal stress and reduce lockdown depression and anxiety. As we face this global pandemic, it is important that we take time to think in different ways to support ourselves and our mentees.

Please find attached the Mentor-Mentee Allocation List for the academic session 2020-21. Kindly ensure your availability for telephonic mentoring on all working days (Monday to Friday) between 09:00am to 05:00pm.

Thanks and regards,

Dr. A.K. Tiwari  
Convenor  
Mentoring Committee
