

Innovative Ecosystem and Incubation Center

Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge. The college provides enriching ecosystem for inculcating research and innovative approach amongst the students and staff by taking several initiatives at management and college level through financial, technological and infrastructural support and at faculty level by providing platforms through events, programmes, seminars, workshops, skill based courses and research publications, for creation and transfer of knowledge. The initiatives taken are as follows:

College provides seed money for undertaking research projects for teachers.

The college has a Research Advisory Committee for making policy related to research and innovation and an Ethics committee to monitor research activities.

The Central library provides facilities for creation of knowledge and research support through reference books, research journals, encyclopaedia, reading room, Digital library- N-List.

There are spacious museums, animal houses, laboratories, computers, internet and all other ICT facilities available for all the departments of Arts, Science and Commerce for creation and transfer of knowledge.

For developing Innovative approach and scientific temperament amongst students research oriented events and programmes are conducted at departmental level. Books exhibition are held at regular intervals for inculcating reading habits. (due to Pandemic not conducted)

Eminent industrial experts, scientists, Research scholars, Social entrepreneurs visit the campus and share their innovative ideas. Faculty and students are encouraged to participate in Seminar/Conferences and publish research articles in research journals of National and International repute.
