U.O EKAGRA CHATTREE

CADETS REPRESENTING AT SHOOTING CHAMPIONSHIP

HERE'S HIS EXPERIENCE IN THE SHOOTING EVENT:

The National Cadet Corps (NCC) is a voluntary uniformed organization dedicated to grooming the youth of the nation into trained and disciplined citizens and providing them various opportunities and exposing them to different aspects of working in an organization that have a great impact on their personality, character and decision-making capabilities.

I would like to share the fabulous experience of my NCC camp. The journey started on 31st September 2021 when the selected cadets from Prayagraj boarded the train to Fatehgarh to participate in the Uttar Pradesh Inter Group Shooting Competition. Upon reaching, we were accommodated and quarantined in the Rajput Regiment Training Centre situated in the city. After a week the competition commenced in which 120 cadets from 11 Groups of the Uttar Pradesh Directorate competed against each other. After the competition, a ten-member team was selected from among the firers based on their performance in the event.

We received training and practice sessions in Fatehgarh, after which we headed to Indore, Madhya Pradesh to participate in the Inter Directorate Sports Shooting Competition (IDSSC) as the Uttar Pradesh Directorate Shooting Team. Upon reaching Indore we were welcomed by the representatives of the Madhya Pradesh Directorate and were escorted to our accommodations, here we got to interact with cadets from all over India. Before the competition, we were given a tour of the city, in which we visited many social and religious attractions. During our practice sessions, Brig. Akashdeep, Officer-in-charge of the competition, would interact with the participants, boost their morale, motivate them, and elaborate about life in the armed forces.

After the competition and the declaration of results, a prize distribution ceremony was organized to honour the top performers, followed by a special lunch.

I was among the 52 cadets who were selected to be a part of the NCC Shooting Team and represent the Cadet Corps in the All India G.V. Mavalankar Shooting Championship organised by the National Rifles Association of India(NRAI), to be held in Ahmedabad, Gujarat. Before leaving Indore, we went through intense training at a specialized Military Unit to prepare us physically, mentally, and psychologically.

Upon reaching Ahmedabad, we were wholeheartedly received by members of 1 Gujarat Battalion and were taken to the Ahmedabad Group Headquarters. We were welcomed by the Commanding Officer of 1Guj Battalion, Lt. Col Sateesh Kumar, who briefed us on the major details of the event. Our daily routine consisted of early morning PT, rigorous self-practice, and coaching sessions. We were also allotted recreational time in the evening to play sports and wind down. We also got to interact with Major General Arvind Kapoor, Additional Directorate General NCC Gujarat Dte, who was impressed upon witnessing the cadets in high spirits and motivated, he expressed his best wishes and exhorted all the cadets to give their best in the shooting competition.

The competition was conducted at the Ahmedabad Military & Rifle Training Association, in which every team member performed exceptionally well and was congratulated by the Association members.

After the competition, a special dinner was organized by the Ahmedabad Group to appreciate the hard work and the achievement of the team. We were all delighted at the successful completion of the camp, but at the same time, we were feeling bittersweet because we have lived together as a family all these days, and we knew that

we would part soon. We enjoyed our final days of the camp by exploring the city and visiting various places of attractions.

This camp taught me the value of teamwork, the meaning of the statement- "All for one, one for all", it taught me how easily a person can adapt to various situations, and ultimately made me a better person. I witnessed a Mini India in such a short span and got to meet numerous military officials. I returned with a heap full of memories, lessons, and a lot of new friends.
